

Long Term Care Administrator

Vetter Health Services, a premier provider of long-term care, rehabilitation, assisted living and retirement community services, is offering an opportunity for the right individual to join an excellent organization as an administrator at Wheatridge Park Care Center in Liberal, Kansas.

Vetter Health Services is an innovative company that has been serving seniors for over 35 years. Our mission of “Dignity in Life” and our vision and values separates us from our competitors. Our national reputation in long-term care is “quality”!

Qualified candidates will have experience and an excellent reputation as a long term care administrator. They will have proven leadership skills, the ability to build relationships in and outside of the facility, and strong working knowledge of long-term care operations and regulations. They will have the ability to coach and provide superior leadership and direction.

Vetter Health Services, voted the best place to work in Omaha, offers excellent benefits, exceptional support and the opportunity to learn and grow. Qualified individuals may send resumes to rflanigan@vhsmail.com or
