Clinical Nurse Consultant

The Position

Our Clinical Services department has an opportunity for a RN with skilled nursing experience to join the Medicalodges team as a Clinical Nurse Consultant. The Clinical Nurse Consultant will be responsible for assisting leadership and staff in providing quality care to residents and fair treatment to employees, vendors and other business and healthcare partners/providers through participation in and utilization of Medicalodges, Inc. Quality Assurance and Process Improvement (QAPI) program. In addition, the Clinical Nurse Consultant will review facility quality measures and quality data, assist facility leadership in the development of performance improvement programs, action plans and review outcomes in relation to established benchmarks. The Clinical Nurse Consultant will also assist facility leadership and staff in maintaining compliance with legal procedures, nursing laws, state and federal regulations and Medicalodges, Inc. policies and procedures. The Clinical Nurse Consultant will act as a nurse mentor and advisor to facility management by being available for consultation and keeping current with medical and nursing care processes and will perform onsite review of resident care and services on a routine basis and as requested to ensure compliance with state and federal regulations and Medicalodges, Inc. policies and procedures.
