## Leadership for Charge Nurses:

This interactive course is focused on the difference & similarities of “leadership” and “management” and how they are both needed in the role of the charge nurse including incorporation of all personality types, strengths and weaknesses. We’ll also spend time talking about topics that affect nurses in leadership roles including survey, 5-Star Ratings, documentation and others. The course will allow for time for learning from each other and networking.

### Speaker Bio:

#### **Linda Farrar, RN, LNHA**

Linda is a Registered Nurse, a Licensed Nursing Home Administrator and a Certified Dementia Care Specialist. She obtained her Bachelor of Science in Nursing from the University of Iowa in Iowa City, Iowa. She began her Long Term Care career at a retirement center in Wichita, first as a unit supervisor, then the Director of Nursing position and later as a Licensed Nursing Home Administrator. In June 2011 Linda retired from the full-time duties of administration. Linda’s passion is to continue to serve elders and their family members in compassionate, person-directed and centered care. She is the Clinical Consultant for Kansas Health Care Association and also serves on their

Facility Standards Committee. She is also the Clinical Consultant for Care Providers of Oklahoma. She serves on the Board of Directors of the Kansas Foundation for Medical Care and serves Nationally on the AHCA Quality Committee and is part of the AHCA State Affiliate Network.
