

# Survey & Clinical Risk Management

*Elevating Quality & Survey Outcomes*

This year-long virtual series is designed to equip LTC leaders, clinicians, and staff with the knowledge and skills needed to stay compliant, improve quality outcomes, and strengthen survey readiness. Each monthly session focuses on a critical area of LTC operational or clinical risk, blending regulatory guidance with practical strategies for implementation of corrective actions. Participants will gain actionable insights and tools to enhance facility performance, survey readiness, and risk mitigation.

## Target Audience

Nursing Home Administrators,  
Directors of Nursing, Nursing  
Leadership, QA Directors, Risk Managers,  
Compliance Staff, Department Heads

## CEUs

One (1) contact hour each  
session; NAB approved through  
Proactive LTC Consulting.

## Presented By:

Shelly Maffia, MSN, MBA, RN,  
LNHA, QCP, CHC, CLNC, CPC
